We are seeking an exceptional Head Brewer to maintain the quality of our nationally acclaimed beers including Oscar Wilde, Captain Bob and Maldon Gold, and to develop new beers that can help us to continue our success at a national level. The role includes hands on brewing as well as managing two staff.

In return we offer an unwavering commitment to the highest standards of brewing, 20 years of experience and knowledge, a caring, friendly company where staff have stayed with us for many years, and an attractive salary.
